Wagon Master Report: With the raising of prices for goods, fuel, etc. I suggest when we vote on campgrounds for next year we look into those that are not far away. Normally we try and stay within 3 hours of Waldorf. I would suggest we stay up to 3 hours from Waldorf. I think we can all agree it is nice to get together and have campouts but we also have to consider finances too during these difficult times. So lets see, this fall, if we can find some campgrounds within 1, 2 or 3 hours from Waldorf.

Hosts. Yes, we still need hosts. We need hosts for – Dogwood (August) and Misty Mountain (October).

New business: None:

Old Business: None.

Good of the order: From the President - Notes from MD Good Sam President's Meeting of April 23, 2022

There were nine rigs at the President's Campout in Walkersville, most were from the R&R Sams chapter, six other chapters attended via Zoom.

Minutes from the fall meeting were approved.

Treasury report was given, amendments were proposed, motion made to accept as presented with pending profit/loss line added, motion passed.

Spring Rally was cancelled because only 12 registrations were received. Prior to the 60 day deadline to cancel or pay in full, the decision was made to cancel.

A Fall Mini Rally will again be held at the Walkersville Fire Department location. Water is via the buddy system or by filling your fresh water tank, electricity is available and a dump station is available. Dates are October 28-30, 2022.

Registration forms are available on the MD Good Sam website.

R&R Sams will hold the Fall Festival the weekend after the Fall Mini Rally at the same location. This event has traditionally been held by the Akela chapter, but that chapter folded so R&R Sams picked it up. They will have registration forms at the Fall Mini Rally. If you attend the Mini Rally and wish to leave your rig parked for the week until the Fall Festival, you are welcome to do so, or you can spend the week in your camper.

Plans for a 2023 Spring Rally are underway but could be affected by changes in the Good Sam Club Program. It is currently scheduled for Memorial Day weekend.

Change is coming to the Good Sam Club. On December 31, the State Directorships will sunset. No details have been made available yet, so, the status of the state organizations is up in the air. The only known at this point is that there will no longer be Good Sam Club State Directors. Individual chapters will likely continue but nothing is certain at this point. Questions remain about state organization treasuries. In accordance with the state By-Laws, if the state organization is dissolved, the treasury will be distributed to charity organizations. Frank asks all chapters to submit questions to him to forward to the Good Sam Club Program Director. He will compile and send them to get answers. Questions need to be sent to Frank by April 27. If you have questions regarding this sunset action, please email them to Bob C. by the evening of April 26. Bob will compile them and forward the list to Frank from the Blue Crab Fun Bunch. Send your questions to Bob at flyingham@verizon.net.

Members attending: Corky and Terry, David and Ginny, Tom and Cynthia, Bob C., Dennis and Sandi, Pat and Jim, Brenda, Bernie and Mona, Karl and guest Kim, Julie and Bob.

Guests: Kim – guest of Karl.
