## **OLD BUSINESS**

Chapter Brochure for Timonium RV Show - Bob C. created a brochure to advertise our Chapter at the RV Show in Timonium in February. The printing costs are as follows: Kinko - \$162.18, staples – 98 cents per page or Bob cold print the brochures using his printer. The cartridges would be approximately \$70, Bob would donate the heavy weight paper for printing. A motion was made to allow Bob to print the brochures and be reimbursed for the necessary cartridges. The motion passed.

Volunteers to man the State booth at the RV Show – Volunteers are needed to help man the State booth at the Timonium RV show. Bob doesn't have all the details, but will get them at the State presidents meeting in February.

Audit of the Financial Records - The audit committee has scheduled the audit for next week.

Change in Constitution and By-laws – The committee responsible for revising the constitution and by-laws is waiting for information from Bob C. He requested copies of other Good Sam chapters to use as a guide in making our changes. He has gotten no responses from his email requests. He will try to find a copy at the State Presidents meeting in February.

## **NEW BUSINESS**

Samboree Issues - If you have any issues regarding the MD Samboree that you would like addressed at the State President's meeting in February, please email them to Bob.

More members - Carlos S. raised the issue of needing more members in our Chapter. He suggested that we need to advertise more, however, our meetings are listed in the Enterprise and the Independent. Bob C. volunteered to print more business cards to hand out to prospective members. It was, also, suggested that we post our brochures at the highway rest stops. We agreed that this would be a good idea since we already have a brochure that could be posted. We will print additional copies for this purpose.

The next meeting will be held on February 18 at 1:00 at Marie's Diner in LaPlata.

No other business was raised and the meeting was adjourned.
