

THE BLUE CRAB FUN BUNCH
GOOD SAM CAMPING CLUB
MEETING MINUTES
MAY 2023

President: The President was not present. No report. The Secretary, Julie, opened the meeting at 4:42 at the campsite of the Wagonmaster, Corky.

Treasurers Report for March 2023:

The Treasurer was not present. No report.

Wagon Master Report: Our next camp out is at Fredericksburg KOA. At my last communication with them we had 7 to 9 campers attending.

The type of prizes that were given out at this month's Bingo, I thought, went very well but please keep in mind this was a once only event. They were hand made over the winter months (gave me something to do) and I thought they would be good prizes for our Bingo.

The addition of the raffle went well too. If I can, I would like to provide an item for a raffle at our campouts (no promises) and anyone else who wants to can provide an item too (that way more than one person is providing an item). I think we just need to keep the raffle to one item no matter who provides it. Remember all this is with the permission of the hosts. Whoever is providing an item needs to contact the host (to get permission) so the host knows who is providing the item and the hosts can keep it to only one item. These are only my suggestions. Naturally we can hold discussions at our meetings.

Bingo Time

The 50/50 (\$13) went well (Barry won) and the raffle (\$31) also went well (won by Jim Inge). That's a total of \$44 for our treasury.

See you in Fredericksburg - Terry, Corky and Gracie.

New business: From the Wagon Master: we need to start thinking about campgrounds for next year. I know some of you have mentioned that we need to go to new campgrounds. When we think about new campgrounds please keep a few items in mind - is the campground laid out good (check the campground map), are the sites reasonable size, is the site cost reasonable, is the campground well kept, does it appear that security is good, will they accept groups, can advance reservations be made (sometimes a year in advance), distance 3 1/2 to 4 hours or 200 miles from Waldorf (SOP as amended 5-23-2022). Also keep in mind fuel costs. These are just some items to keep in mind. We do our campground selecting and voting for next year's campgrounds towards the end of the year.

Old Business: None.

Good of the order: None.
